THE SKY'S THE LIMIT IN YOUR PERFECT FIT

VIP FAMILY,

For over 40 years, my family's #1 goal has been to help everyone get moving, stay active, and live healthy. Whether that's a half marathon, gym training, or a walk around the block, we're here for you every step of the way.

VIP Family members at their local store always tell me they feel like the sky's the limit with the perfect cushion and support. And hearing about your triumphs, gains, and challenges are what keep us going.

I am filled with gratitude knowing the shoes in this book are literally changing people's lives.

Make every mile count,

Michael Gotfredson Jr.
President
